PROFESSIONAL WEDDING DAY CATERING FOR MARQUEES AND PRIVATE VENUES

The Well House Fine Dining Experience is the one and only choice for Bridal couples and Wedding Planners with discerning palates who are not prepared to compromise on the food they present to their guests and so demand only the very highest possible standard of cuisine available.

We are the only outside catering company in Cornwall supplying hot or cold wedding breakfasts and buffets to 'AA 3 Rosette' culinary standards of excellence. All our food preparation, cooking

and service is presided over by our Head Chef who is also a 'Master Chef of Great Britain' - so you and your guests are guaranteed the very best of the best.

Our new outside professional catering service is a natural progression for the award winning Well House Hotel and our internationally acclaimed Restaurant which in 2009, together with only four other restaurants in the whole County, has been awarded three Rosettes - and in our case for the 22nd consecutive year! We have twice been voted the Good Food Guide's 'County Restaurant of the Year' and have been the recipient of a prestigious Catey award.

Utilising this wealth of experience, imagination, flair and skill our Master Chef and his talented brigade of full time professional Chefs can bring you the delicious tastes and experiences of our Restaurant direct to your venue ensuring a truly memorable occasion.

We would be delighted to organise all your catering requirements and liaise with your chosen venue leaving you to relax and look forward to your special day. We can discuss your wedding with you, suggest appropriate dishes and help plan your menu and suggest wines, source the finest quality locally grown and supplied seasonal ingredients, prepare and cook all the food, supply the waiting staff and even your dream wedding cake.

Our approach to food is refreshingly different to most other catering organisations who offer set menus that are applicable for any time of the year. Instead we provide a bespoke service treating each reception separately depending upon the venue, the season of year, the number of guests and of course, your budget.

We listen carefully to your own requirements and if you would like a seated hot wedding breakfast then we can provide you with a selection of starters, mains and desserts from which you and your guests can choose your ideal combination. Alternatively you may prefer the informality of a sumptuous hot or cold buffet either served or grazing. The choice is yours.

To start and end your special meal our imaginative selection of mouth watering Canapés and Petit Fours are all homemade. All dishes are prepared in our own kitchen at the Hotel and where applicable, cooked on site.

Although our core strength is of course our food, we can also help with the planning of your wedding and supply an array of additional organisation and support services from the hire of the marquee to the flowers on the table.

We would be delighted to welcome you to our Hotel, meet our team, sample our food and discuss your Reception.

For further information or to arrange a visit please call Richard on 01579 342001, but please note this service is subject to availability and is restricted to only a small number of weddings each year to maintain the exclusivity of our service.
